FOREWORD

While kings and kingdoms fall with the press of time, the Alma Mater that you have known will inevitably change. We welcome the future; yet, through the years we shall carry, along with glimpses of changing conditions, a vision of our own days in Berea. Therefore, as a supplement to memory, as a lock against impermanence, against the day when the old campus will seem strange and peopled with strange faces, the Class of 1931 presents this volume of THE CHIMES.

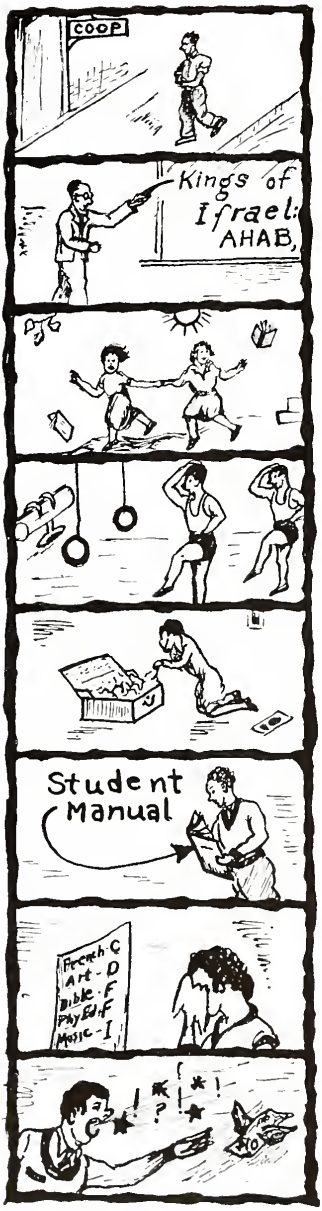
THE BEREA PRIMER

Being certain ABC's from the old New England Primer brought up to date and illuſtrated for the edification of Berea students.



A
After each meal
We empty feel.

B
Freſhman Bible doth Befall
Berea students one and all.

C
When Cuts are given
Life's worth livin'!

D
Our grace is advancing
With highland fling Dancing.

E
A life of E's
Will never pleaſe.

F
Who learns the Fundamental Four
Muſt alſo learn Five hundred more.

G
Grades worry all
Both Great and small.

H
When Dean do say "ten dollars"
Full many a student Hollers!

I

In Lincoln hall
We flunk-ed all.

J

The senior doth sweat
A Job to get.

S

Students take heed
Smoke not the vile weed.

T

Behind the Mulberry Tree
Students muſt never be.

V

Vigilance, Veracity, and punctual ways
Brings the freſhman prizes and praiſe.

W

Abſence from chapel to claſſes late
Brings down Wrath upon his pate.

X

The rhyme for X
Doth the poet vex.

Y

Your way is paid by half.
When You drive in a calf.

Z

The senior fooliſhly deemeth
That he has reached the Zenith.

The Year On The Stage

The Dramatic Club fulfilled its proper functions as an extra-curricular activity this year by providing both educational and recreational opportunities for the students. Contrary to previous years, membership in the organization was limited to fifty and extended to college students only. Of especial note during the season was the amount of new talent discovered, leading roles being about equally divided between experienced actors and new members.

Under the able direction of Louise Adams Blymyer the club has had an unusually successful season. Two full length performances were given for the public, in addition to many one-act plays given at the weekly meetings. So far as the major productions were concerned, it was a year of contrasts. The first semester play was a modern comedy —Philip Barry's, "The Youngest." The last half the club staged the classic French romance—Edmond Rostand's "Cyrano de Bergerac." The costuming, staging, and direction of the latter, particularly, offered difficulties which required all the ingenuity of the dramatists. Among the shorter plays given by the club for the less experienced members, were: "Riders To The Sea," "Thursday Evening," "Back Of The Yards," "Peggy," "Idlings Of The King," "Long Distance" and cuttings from "The Rivals."

Much of the work of the club concerned itself with other phases of dramatic work than acting. By means of an elaborate back-stage organization, similar to that used by professional companies, responsibility for public productions was given to the students. These technical committees, in addition to helping produce plays, contributed to club programs by exhibits of their work.

If present plans materialize, the Old Tabernacle will be converted into a little theatre next year. This will materially broaden the scope of dramatic work in the school.

o————————o

"Old Man Minnich" was presented by the senior class of the Academy to a large and appreciative audience. The capable directing of Prof. W. A. Hackett has made the Academy plays outstanding events in the year's program.

The chapel stage became a wealthy seaside home for "The Man From Toronto," produced by the Normal senior class.

On May 13, the Junior High School gave their major production, "The Tinker."

Other dramatic efforts to be remembered are: "The Servant in the House," and "The Prodigal Son."

WOMEN'S FORENSICS

The women's forensic program for 1931 has been most successful. Much interest and enthusiasm were shown among the participants. The debating was unusual in that all the opposing teams were men, for the question, Compulsory Unemployment Insurance, was chosen only by men's colleges.

The first debate was held February 24, between the University of Cincinnati men and the Berea girls' negative team. March 10, the University of Louisville sent their affirmative team to meet Berea's girls. In these and later debates the question was narrowed to two final terms—should unemployment insurance be "compulsory" or "voluntary"? The girls' affirmative defeated the men from Kalamazoo, Michigan, March 24, in the only decision debate for the girls, Berea winning, 87-84, audience decision. April 6, the Berea affirmative debated the University of Louisville men at Louisville in the closing debate for 1931. Those debating were: Hilda Booth and Ruth Goodman on the negative, Herma Ramsey being unable to participate on account of illness; Harriet Gates, Martha Friend, and Norma Setzer on the affirmative.

In the Home Oratorical Contest Marion Holcomb placed first, Ethel Gambill second,

and Edna Johnson third. Marion Holcomb represented Berea in the Kentucky State Oratorical Contest placing third. In the Triangular Oratorical Contest participated in by Asbury, Eastern, and Berea, Ethel Gambill placed second.

The high point medal for women this year was won by Hilda Booth.

MEN'S FORENSICS

The men's forensic program likewise has been very successful. Fourteen men tried out for debate at the beginning of the season. The subject for debate was Free Trade. Those chosen for the affirmative team were: Virgil Smith, Jason Wilson, J. C. McClellan, and Richard Kirby; the negative team was composed of Virgil Turner, Thomas Nesbitt, Francis Shouse, and Fred Eutsler.

The affirmative men had exceptional success, downing first Waynesburg College and later Centre College in the Annual Triangular Debate. Other teams met by the affirmative were the University of Florida, the University of Kentucky, Transylvania, Georgetown, and Cincinnati Bible Seminary.

The negative team did commendable work also. They met teams of Maryville College, Asheville Normal College, Asbury, Centre, University of Kentucky, and Furman.

Of four men trying out for the radio debate on prohibition, John Shouse was chosen to represent Berea over WHAS against the University of Louisville.

The State Peace Oratorical Contest was held at Berea on November 28, 1930. John Shouse represented Berea, speaking on "The Path to Peace." In the Men's Home Oratorical Contest Hubert Robinson placed first and Forest Lacy second. Robinson represented Berea in the State Contest at Lexington, speaking on "The Negro's Contribution to America." Lacy placed second in the Triangular Oratorical Contest here, speaking on "Lincoln and the Constitution."

The men's high point medal was won this year by John Shouse. The high point pennants were awarded to Kappa Gamma, women's society, and to Kappa Sigma, men's society.

THE PINNACLE

The credit for Berea's first win in the S.I.A.A. tournament goes to no one man. Little Jeff Wyatt scored six field goals and every one of them a beautiful shot. Jim Bowman played a strong defensive game with Harlowe starring as usual. The credit for the final goal which put Berea in the lead goes to Dick Chrisman.

The line-up and summary:

Berea—29		Wes
F. Wyatt 12	F	
Gardner 3	F	
Bowman 2	C	
Wright 7	G	
Harlowe 5	G	

THE SEASON

The season of 1930-31 in a basketball sense, gave indication of being the producer of more good basketball teams than this state had ever known. And to date, there has been no disappointment, except in the spectacular rise of some quintets not

REMEMBER. . . . . .

The day we came to Berea? When we named the skeleton Jim? When the test papers were "sacreligiously" burned under the apple tree? When 99 per cent of the college had scarlet fever? All that poetry —who wrote it? When Kink Corell fixed that dumby and saw those dainty feet? The Measles-Mumps epidemic of '31? Baby Blue Eyes? The knitting in Nurses Home parlor on calling nights? When Gus rode the dumb waiter, skipping quarantine? When Persia became a medical student? When Dean McAllister "stood up" the psychology class?

FAMILIAR SAYINGS. . . . . .

Nose drops and swabs again. How many days will I have to stay in this place? What's this shot for? Hee! Hee! Now this won't hurt. (Dr. Paine referring to milk hypos.) You'd better have them out soon—hum-m-m. Ding-a-ling, it's eight-thirty. Lights out girls. Now girls, if you'll only listen to what your grandma tells you!

ACADEMY STATE CHAMPIONSHIP DEBATING TEAM

Back Row: Fred C. Schaffer, Wilbur F. Bearinger, W. A. Hackett, Coach.
Front Row: Walter T. Brown, Paul H. Gambill.

As a culmination to two years of successful combat, the Academy debating team this year achieved its coveted objective, the championship of the Kentucky Interscholastic Debating League.

Although handicapped at the outset of the season by the loss of two of the three 1930 regulars, the squad rapidly developed around the nucleus of the one left, Walter T. Brown. Thirty-five candidates signed the first roll, but before long this list of eligible prospects had been reduced to four. These four, Walter T. Brown, Wilbur F. Bearinger, Paul H. Gambill, and Fred C. Schaffer, comprised the season's team. The Academy coach is W. A. Hackett.

It is no empty honor to win the high school debating championship of Kentucky, as more than three hundred schools annually participate in the elimination contests. In order to come out on top, the Academy men first had to win their district championship, which they did by defeating three teams in the tournament held at Berea; then they had to eliminate four other district champions in the state tournament held in Lexington.

Season of 1930-31

Manager Swope

Beginning the 1930-31 season with an experienced squad, the Mountaineers gave indication of being one of Berea's greatest basketball aggregations. They amply fulfilled expectations.

To begin the Varsity disposed of the Alumni in a hectic and unpolished scrimmage during Homecoming. Just preceding the Christmas vacation Cumberland College provided lively competition. The

U. of K. Wildcats on New Year's Eve engaged the Mountaineers in an exciting struggle, in the last quarter of which they cinched a win. Under Coach Gunkler's regimen the squad was now a strong candidate for Kentucky S.I.A.A. laurels.

Louisville departed from the Seabury Gymnasium on January 5 a badly beaten crew. The old-time rivals from across the hill, Eastern, came next to the Ridge, and to the chagrin of all Bereans scored a victory. Two other times during the season Eastern repeated their performance, but never at a time when the Mountaineers were playing rational ball. On January 15 the Georgetown Tigers were beaten.

At this time the Bereans fell into a veritable slough of failure, losing five straight games to five

different teams—Wesleyan, Transylvania, Louisville, Western, and Eastern. Punch, the primal ingredient of athletic success, was simply lacking.

Wesleyan came to Berea early in February and retired the worst beaten team ever to play here. The boys woke up that Monday.

Centre, favored S.I.A.A. team, functioning at top form, defeated the Mountaineers on February 11, 37-26.

Monday, February 16, began the most memorable week in Berea's athletic history. It was during this week that the Mountaineers beat five teams, with a total margin of nine points for the five victories; that the Mountaineers won the Kentucky Intercollegiate Basketball Tournament; that they gained the admiration and respect of the state for their sportsmanship; that they woke up and displayed a brand

of basketball seldom before seen in Kentucky and placed two men on the All-State team, at the same time earning a chance to compete in the S.I.A.A. tournament held at Jackson, Mississippi.

Of individual players of the team all deserve credit. Each of the first string men—Wright, Bowman, F. Wyatt, Chrisman, Harlowe, and Gardner, won games by their individual skill. Chrisman played the most sensational ball during the Tournament. Harlowe and F. Wyatt were elected All-State team members, with Harlowe as Captain of that honored quintet. Captains Wright and Bowman displayed excellent ball frequently. Gardner starred in a number of games.

At the S.I.A.A. Tournament held in Jackson, Mississippi, the following week, the Mountaineers lost their first game to Eastern. They had had little rest and the terrific pressure of the preceding week took its toll.

Gardner captains the 1931-32 team. With a number of first-class '31 Freshmen to fill up the vacancies left by the graduation of five seniors, prospects look bright for next season.

TRACK

The track team of 1931, as in former years, was strong in the distance events but weak in dashes and field events. In the first meet of the year on April 27 Berea met and defeated Centre here with a score of 62½ to 57½. Dodson, of cross-country fame, stepped out to take the mile and two mile races, while Strunk came in with a second in each. Chrisman showed up well in the four-forty and eight-eighty yard runs but was not at top form. Dyar tied with Bennett for first place in the pole vault and captured first place in the high jump. Jeff Wyatt ran a good race in the high hurdles, followed by C. Wyatt.

Louisville University defeated the varsity in the second meet of the season by a score of 83½ to 36½. Dodson won the two mile race with ease but did not compete in the mile.

Berea took fourth place in the State meet held at Georgetown College on May 15. The star performance of the entire meet was the running of Dodson. He smashed two state records, doing the mile in 4:28.9 and the two mile in 10.3. It is expected that this Sophomore greyhound will do even more astonishing feats during the next two years.

The Freshmen track team was a hard-fighting crew, but they had tough luck so far as victory was concerned. In Louisville they were beaten in a close match of 64½ and 55½. At the State meet in Georgetown the Freshmen placed third with a total of 21 points. Although Wilder won the high and low hurdles at the Centre meet, he lost them in the State meet to the same men he defeated at Centre. Taylor won the discus throw in the Centre meet and placed in the State meet. Many of the team are receiving numerals for their work.

PHYSICAL EDUCATION INSTRUCTORS

The work of the entire department of Physical Education would hardly be possible on the large scale that it is upon if it were not for the splendid work of the Student Instructors. These men begin training in their freshman year so that they become very proficient in their junior and senior years.

TENNIS

The Tennis team has had an exciting season, though somewhat stinted on the meed of victory. There were the usual barriers of rain and consequent poor courts at the outset. Rain killed in the bud the first match with the University of Kentucky at Lexington. The boys were in poor spirits, but the genie of tough luck was still unsatiated. As they were driving homewards, with Coach Quimby at the wheel, the Buick automobile took a bucking spell, in the course of which it turned over a few times. Although none of the party was disabled, Harlowe attributes their ill success in tennis thereafter to the resultant scare. However, it must have taken some time for the scare to take effect, because in the next match Berea defeated Cumberland by a score of 5-2. Then followed a defeat at the hands of the University of Kentucky on the home courts. Two matches were lost to Centre College, the second of which was a close struggle. As Bowman was away at the time of the first match, Elliott and Roberts, runners-up for the team, played at Centre, one playing singles, the other doubles. Roberts also played in the final match with Centre.

Three of the team graduate this year. They are: Captain Allen, rangy veteran who has played good, steady tennis during the past three years; Harlowe, first man and former captain, who plays a swift, clean-cut game, winning his part of the matches; and Bowman, a substantial asset who is never lacking in steam and energy. The two remaining are: Kelley, whose powerful swatting is very effective when under control; and Combs, playing a quiet, steady game for his first year, with the possibility of attaining speed later on.

Front Row: Allen, E. Turner, Meadows, Strunk, Dodson, Woods (Manager)
Back Row: J. Helton, Singleton (Captain), Hall, Venable, C. Wyatt, V. Hall.

CROSS COUNTRY TEAM

With the tolling of the first class bell in September came a lusty call from the remains of last year's squad, captainless and coachless, for new material to build a strong Cross Country team. The situation looked tough. However, in response to the call came new and undreamed of possibilities. Soon a squad of fifteen or twenty men had organized, elected Litten Singleton as captain, and were fast whipping into tip-top condition.

After this bunch had practiced for a fortnight the birds and beasts of the fields were aghast at the way they galloped through the underbrush and hurdled natural objects. Their daily descent from the Ridge was as a mighty wind. In the meantime, Director Quimby was making a desperate effort to secure competitors. But owing to the fact that Cross Country teams usually schedule their games one year in advance, and Berea being the only college in Kentucky sponsoring a team, the boys competed in only one meet—a dual tilt with the University of Kentucky. The only thing that Berea's country racers allowed Kentucky to carry away was a tie for fifth place. A dark horse appeared during the meet, one Dodson, who stepped off the three-mile run in 16 minutes and 5 seconds, which is easily the best time yet made in these parts. Other Berea men were on the look-out for third, fourth, fifth and remaining places.

The squad was all set to grab honors in the Annual Turkey Day run in Cherokee Park, Louisville, when the meet was called off at the last minute because of lack of interest in other colleges. Dodson, the fastest distance man yet to parade our campus, is captain of the squad next year. He is expected to lead his men to victory in several meets which Director Quimby is to schedule.

FOOTBALL

Football, supposedly tabooed from Berea's intramural program for 1931 because of only a three team competition and lack of organization, was, in spite of the handicaps of a late start, led into action by some seventy-five enthusiastic athletes who loved the game well enough to organize it, play it, and keep it going.

Once the gridiron schedule was planned and permission from Director Quimby and the school Deans to complete it was granted, the College, Academy, and Normal squads hurried joyfully to the task of developing teams which certainly satisfied the spirited rooters on the sidelines.

The College eleven, possessing a fast shifty backfield that could run, kick, or pass, and a surprisingly strong line for a comparatively light team, fought its way to the championship. Although backs Wilder, White, Fitzpatrick, linesmen Dean, Hatcher, Green, and Evans deserve special mention, all players performed remarkably well. The Academy, close runner-up, had its main threats in the line play of Captain Anderson, Engle and Amon, the booting toe of Minnich, and backs Gardner and Nichols. Normal's line plunging, defense and offense, was its only weapon. They were handicapped by a weak running and passing attack. Ison and Roberts were Normal's outstanding performers.

Perhaps as long as football is a constructive force in promoting sportsmanship and organized by student endeavors it will remain an item on our athletic menu.

BASKETBALL

The season of 1930-31 saw in addition to the State Champion Varsity a Freshman team of almost equal ability. The Freshmen were doped to win from the beginning and never once did they upset the prophecies. They did not lose a single intramural game. Coach Quimby had excellent material and he developed it into a smooth-working machine. Noted for its accurate shooting, the team generally piled up a large score. The season's victories were as follows: Normal 50-22; Jr. High 30-18; Normal 50-19; Jr. High 44-26; Academy 47-17; Academy 29-27. In addition to the intramural games, the Freshmen played two games with the Eastern Freshmen, which was undoubtedly the strongest freshman team in the state. The first tilt at Berea resulted in a hard-won eight-point victory for Eastern. In the return game at Richmond the Eastern Freshmen again won by four points, but were forced to stall for the last five minutes of play. The equality of the struggle between the two teams showed Berea's strength.

Coach Wyatt's Academy squad, although young and inexperienced, developed real ability during the season. They defeated Coach "Jerry" Hughes' Junior High boys in the first game 39-21, but barely nosed them out by a 22-20 score in the second match. Their biggest victory was a 36-6 score over Normal.

The Normal team, under Coach Rash, downed Junior High 25-16 in the first game of the season. Then followed two defeats at the hands of the Freshmen and one to Academy. Sweet revenge came to the Normal boys when they staged a come-back and licked Academy 38-31.

The one victory that accrued to Junior High was by far the most sensational of the entire season. This was their 20-15 defeat of Normal, which required a five-minute over time period to untie the score. Speaking of Junior High basketball, it will be remembered how Coach Hughes' team of last year plowed through all opposition.

DORMITORY BASKETBALL

It is the aim of the Department of Physical Education to give every student a chance to be on some athletic team during the course of the year. With this end in view thirty-two basketball teams were organized in the various dormitories and a definite schedule of games planned. The various teams in each department engaged in a tournament, the winner of which entered the final Institutional Tournament. Great excitement was created after several games were played and the weaker teams eliminated.

At the final show-down there appeared the College Guest House team and the Academy Second Floor Putnam Hall team. A mighty tourney ensued, in which the Putnam Hall boys, by virtue of superior skill, finally triumphed by a very narrow margin. The members of the victorious team received individual medals.

BASEBALL

As the curtain falls, Berea's 1931 baseball season bows to the applause of many who rank it far above the season of last year on the strength of better baseball, better individual playing, and stronger competition.

It has been almost a tradition for the college nine to capture the baseball championship, and do so easily, but the Academy, presenting one of the snappiest aggregations that Berea baseball enthusiasts have seen for some time, knocked tradition from its supposedly sturdy pedestal and romped away with the coveted honor of baseball supremacy for 1931.

Surprise came to many with the results of the first two games this year when the Academy took advantage of the College team's errors and trotted from the field victorious by a score of 1 to 0, and Junior High clouted their way to a 6 to 3 victory over an amazed Normal squad booked to be stronger than it really was. Of the four games following, College took two and Academy took two, as expected.

The start of the second round gave the Academy another win over College by the count of 2 to 0; Normal avenged their first defeat by trouncing Junior High 7 to 4 On the next Monday it was no surprise when the Academy easily defeated the Normalites, but it was unlooked for when Junior High took advantage of a second string pitcher and battled the College to a tie score of 3 to 3; rain checked the game at the end of the seventh inning. In the last two games of the year, Junior High gave the Academy squad its only defeat of the season and marred the otherwise perfect record by a 5 to 2 count. College defeated Normal 7 to 6.

The Academy squad, unquestionably, was a well-balanced organization, but perhaps it would not have raised so much dust without the brilliant pitching of Peyton, the stellar fielding of second-sacker Buchanan, and the outfielding of Percy Combs.

The College team was certainly centered around the hurling power of Jimmie Bowman and the sure steady fielding and hitting of Norsworthy, center-fielder. Bowman was handicapped greatly by lack of support. Two precious games were lost to the Academy by fielding errors.

Junior High was greatly dependent on Charley Combs, star first baseman, and Ruley, a young veteran catcher who knew his stuff. Oliver pitched nice ball and looks like promising material.

Normal's hope lay in the catching and hitting ability of Amos, the fielding of second baseman, Combs, and the hitting of outfielder, Wilson. Stevens and Cundiff did the mound work creditably.

MINOR ATHLETIC ACTIVITIES

Thirty-three teams competed in the Speedball Tournament. Winners of the inter-school championships were: Industrial Building for Junior High; Second Floor Putnam for Academy; Outside dormitory for College. The Outside dormitory team also won the Institutional Championship and the first leg on the fourteen inch Silver Trophy, which must be won for two years in succession to become the permanent possession of any one school.

The Handball Tournament was won by John Shively of the Academy. He received an individual medal.

The drouth prevented the swimming teams from functioning, but, rain with us, there will be regular teams in this sport next year, as there were in 1930.

Each of the schools held a volleyball tournament, members of the winning teams receiving blue ribbons. The final Institutional Championship was won by the 8:30 College Sophomore physical education class in a tight game with Academy rivals. The winners were bedecked with bronze charms.

The Field Day games for men were held in the afternoon of May 6, the morning being reserved for the annual Field Day rain. The college Varsity and Freshmen were poorly represented. Academy easily walked away with the lion's share of points. Miniard of Normal was high-point man with a total of 18.59 points; Noble of Academy was second with 15 points; Hampton of Normal came third with 13 points. Harry Noble set two new Berea records by hurling the discus a hundred and twenty-one feet and the javelin one hundred ninety-eight feet and six inches. The javelin throw was an improvement on the State record, which Noble already held.

The girls held their games on Friday, May 8th.

The annual Yankee-Rebel basketball game was won this time by the Yankees—the opposite of last year's results.

Six teams entered the Intramural Tennis Tournament—one from each of the college classes and a Normal and Academy team. The Academy boys went right through the season without a defeat to win the tournament. The Junior Class of the College came second and Normal third.

INTERSCHOLASTIC SPORTS

During the past four years Academy track, under the coaching of Jeff Wyatt, has made a fine record. In the State meets there have been two runner-up teams and two third-place teams. The team this year was probably the strongest that Academy has ever had. Under the stiffest of competition they took second place in the State meet at Lexington, notwithstanding the fact that one of the best men was ineligible.

In basketball Academy defeated Berea High twice. In two hard-fought games they lost to the Wesleyan freshmen by close margins.

Although tennis is not included as an interscholastic sport, the Academy and Normal were permitted to enter teams in the State meet at Lexington. In the semi-finals the Academy representatives, Gardner and Amon, were at last defeated by Woodford high school in a gruelling forty-game match. The Normal representatives, McDonald and Wagers, entered the finals against Woodford and were also defeated in a very close match. McDonald was hailed as the most outstanding player to appear in the State meet for years.

The Normal basketball boys lost both of their games with the Georgetown freshmen.

"All work and no play makes Jack a dull boy" was harkened to and accepted at its fullest value this Fall, Winter, and Spring by the many girls interested in the sports offered: Hiking, Hockey, Archery, Basketball and Baseball. W.A.A. this year, under the leadership of Miriam Rigby, has accomplished much by cooperating with the Department of Physical Education to enlarge the scope of sports.

Hockey practice and games were attended with keen interest. The Freshmen and Sophomore games were of special enjoyment because they were "something new and different" on the Berea campus.

The College basketball team was victorious after some close, hard games with both the Normal and Academy teams. This year there was such a large number out for basketball that it was difficult to choose a real second team.

The baseball season is still in progress. Thus far the College team is ahead. The tennis tournament is fast focusing. In the semi-finals are: Rigby vs. Sullivan, and Kendrick vs. McLaughlin.

A large number of girls have earned numerals in the various sports.

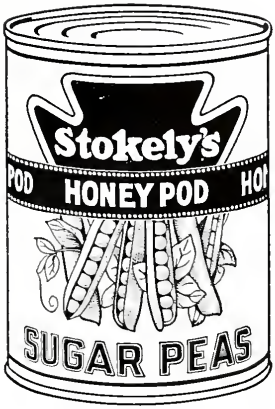
Oldest and Largest Manufacturers of Hardwood Broom Handles

Berea students make EXCELLENT brooms. We are very proud to have our handles used in the kind of brooms that are made at Berea. Since our handles are used exclusively, we trust that they contribute, at least to some degree, to the high standard of quality of the finished product.



DISTINCTIVE GARDEN
FRESH FLAVOR

Obtained by blending the different sized peas in the pod into a delicious whole just as you would prepare fresh peas in the summer time. That is the secret of the popularity of Stokely's Honey Pod Peas.

The entire Stokely line of 28 canned vegetables is packed in golden enamel lined cans and is approved by Good Housekeeping.
